## The Expobar New Elegance 2 Group Control

A range of higher capacity machines than the compact which offer greater throughput for busier operations, with large 11.5 to 17 litre boiler options available in 2 or 3 group options. Features include selectable pre-infusion on groups, 2 steam outlets, rotary pump, manual override on groups, finished in polished stainless steel.

- Highly polished stainless steel finish
- Group auto cleaning
- 4 Different dosages programming per group
- Overheat/lack of water indicator
- Brewing groups with pre-infusion chamber
- Two stainless steel steam arms and hot water tap
- Manual group overrides
- Large 11.5 litre boiler
- Programmable pre infusions
- High group or standard group option
